

103     INT. COFFEE SHOP, HINGHAM - NIGHT

103

Robby sits with the a COP from the opener, 40s.

                  YOUNG COP  
Sure, the chief knew, we all did.  
But no one wants to cuff a priest.

                  ROBBY  
What about the prosecutor?

                  YOUNG COP  
I shouldn't talk about this shit.

                  ROBBY  
I think you should actually.

Robby waits, stares him down. The Young Cop relents.

                  YOUNG COP  
The prosecutor told them to leave it  
in God's hands. So they did.
