# NICE MOM

Sam disappears in a PUFF OF SMOKE! From Becca and Izzy's perspective, they can see him crawl behind a bookcase.

GILBERT

~~And that same night, the three~~  
~~witches were killed. But not before~~  
~~they cast a curse! That if a virgin~~  
~~ever lights the Black Flame Candle~~  
~~on All Hallow's Eve, with a soul~~  
~~seen in the sky, the Sanderson~~  
Sisters will return.

The kids all shudder, scared. But LIAM is confused.

LIAM

What's a virgin?

A NICE MOM

Gilbert eyes ~~LIAM~~, who looks very annoyed.

GILBERT

A person who... lights... a candle.

(~~quietly back into it~~)

ROB

Sounds like those people maybe ate  
a little too much candy.

GILBERT

Then how do you explain... this?!

Gilbert dramatically RIPS OFF A CLOTH DRAPED OVER A  
PLEXIGLASS CASE, revealing THE OLD BLACK FLAME CANDLE, which  
is now just a puddle of wax.

A NICE MOM comforts her TERRIFIED CHILD.

NICE MOM

See that honey? The Black Flame  
Candle is gone. That means they  
can't come back.

GILBERT

Well anything is possible. If you  
believe... in magic!

With a flourish of his hands, he releases a DOVE from  
seemingly nowhere. Kids GASP.
