

SHIRLEY

INT. SUPPLY ROOM DOOR - DAY

The lead nurse, SHIRLEY, passes as she sees another nurse fumbling with a key code.

SHIRLEY
Need something?

NURSE
Depakote. 20 milligrams. For three.
Thibodeaux. She need's an
adjustment. Nausea is --

SHIRLEY
Only docs have the combo to the
Pharmacy now. New regs this year.

NURSE
Seems an awful waste of time.

SHIRLEY
Goddamn junkies loot us clean. Oxy,
Fentanyl, even codeine now. You
name, they'll filch it.

Shirley walks off leaving the Nurse, searching...
